## President's Message

### Hello Membership,

Happy Valentine's Day! Hope you will be celebrating with your loved ones with plenty of flowers and candy, or maybe a nice dinner out.

Our first meeting went well, although there are several items that we need to resolve. We have worked on the Budget for 2020 and will be ready to present to you at the next meeting. We have a great Board and I would like to thank them for coming together as a team and getting situated in their new offices.

Barb Zack had to reign as Treasurer, I am happy to report that Susan Bornmann has taken this office. The Executive Committee voted to accept Susan as the Treasurer as well as accepting Charlotte White as the Corresponding Secretary. I thank both of them for stepping up. However, we are not finished filling positions. We need a Ways and Means Chair as well as other chairs (please see the Bylaws for list). I hope one of you will take the initiative and become a chairwoman. There will be sign-up sheets at the meeting for your convenience. I hope you will consider this seriously.

I am very interested in hearing our Speaker for the February meeting; it will be educational for us to learn about Hispanic-American Issues from Erika Garcia. Erika is the Chairwoman of the Orange County Chapter of the Republican National Hispanic Assembly. Please attend and bring some friends!

I know I have said "*Ad Nauseam*" that we need to grow our club by leaps and bounds. Together we can achieve this goal, especially in this important election year. **Thank you my friends! See you at the February 20th Meeting, the meeting starts, as usual, at 11:30 AM!!**

Your President --Dianne Gieske

## 1.1.1 NORWF February 20, 2020 Meeting

**ERIKA GARCIA**

Erika Garcia is the Chairwoman for the Republican National Hispanic Assembly of Florida, Orange County Chapter. In addition to working with the RNHA, Erika is also working with the RPOF and the Trump Victory team as a Neighborhood Team Leader and is actively working on registering people to vote and reaching out to the Hispanic community in Orange County to educate them about Conservative values, what the Republican Party platform is all about and how the Trump Administration has been extremely beneficial to ALL Americans, but in particular to minorities, such as Hispanics. Erika is a legal immigrant from Mexico who migrated to America at the age of 15 and didn't speak any English. In only 3 short months, she was taken out of the ESL program and placed in regular English classes; she was in the Honor Roll and had a 4.0 GPA. Before getting involved in politics, Erika has always been in the Real Estate business. Erika decided to get involved in politics back in 2015, when then candidate Donald Trump announced he was running because she felt that the America she had come to love and call her home was not the same America. Our nation was shifting away from God and America did not feel safe anymore and she just could not sit on the sidelines anymore and let America die, because if America goes, where do we all go?

January meeting if you missed it!  
Dianne, Charles and Danielle

Black History Month is an annual celebration of achievements by African Americans and a time for recognizing the central role of blacks in U.S. history. Also known as African American History Month, the event grew out of "Negro History Week," the brainchild of noted historian Carter G. Woodson and other prominent African Americans. Since 1976, every U.S. president has officially designated the month of February as Black History Month. Other countries around the world, including Canada and the United Kingdom, also devote a month to celebrating black history.

**Valentine's Day**, also called **St. Valentine's Day**, holiday (February 14) when lovers express their affection with greetings and gifts. The holiday has origins in the Roman festival of Lupercalia, held in mid-February. ... At the end of the 5th century, Pope Gelasius I replaced Lupercalia with St. Valentine's Day
