

A very Merry Christmas season to all,

There are so many things to be grateful for this year despite the challenges. I am so grateful for all of you. You all inspire me in so many different ways by the unique gifts you all bring to the table. I learn from each and every one of my dear club mates.

I do need to share that President Dianne Gieske needs to step away temporarily, at this time, for health reasons. I will try to assume the duties as President as best I can but if something is being neglected a gentle nudge will be greatly appreciated. I will be stepping in to try and take care of any housekeeping duties as they arrive till January. Hopefully, we will start fresh in January with a renewed vigor. I am sure I am not alone in the desire to help preserve and protect the conservative principles of Republican party and the U.S. Constitution of Life, Liberty, and the Pursuit of Happiness. We hope to continue to be an informative club and group of citizens in this area of Orange county. I learn something new from our meetings every month and for that I am grateful.

Our goal is to go forward with a festive general meeting for December with no business, but a nice holiday meal, basket raffle and \$5 gift exchange. The phone committee will be contacting you to get your reservation with meal choice. The price is reduced to \$15 this month. Guests are welcome and strongly encouraged, so be thinking of someone special you can invite and bring along.

Lastly, I would like everyone to consider our club in your thoughts and prayers. Think about the kind of club we have been and what a service we provide to the community. Pray about the club we can continue to be and for the health and happiness of each and every member. I leave you with this quote, with principles that have helped me to persevere in the duties of the club this year.

"Courage is contagious. When a brave man takes a stand, the spines of others are often stiffened" Billy Graham

Yours in Service
