

My dear NORWF Sisters,

As we say goodbye to April, May I wish you a happy Spring, a grand Summer (coming soon) and an awesome Mothers' Day.

For those of us that no longer have a mother with us to celebrate, may your day be filled with love and special memories of the wonderful woman you called Mom. I miss my mom everyday and I know that she is with me always.

And my Mother's Day wish to all our members who have the honor of being a mother to someone. Enjoy your day – let your loved ones pamper you and show you what a special person you are.

My heart felt thank you for all the hard work done and the success of another Bingo fundraiser. What a fun day. Prizes were great and food delicious. With a special Thank you to the Risser's and Hebert's for the use of their special home.

May God Bless you and America,

SUSAN

You have indicated you are interested in being on a committee; from the sign-up at the Spring Conference or from previous requests. There is no limit to how many volunteers we need. Committee descriptions are provided below. Please email me back and let me know what committee(s) you would like to be on; and if you would like to be Chair or Co- Chair of the Committee.

The Host Committee Chair is **Deb Tamargo, FFRW President**. We will need a Chair/Co- Chair of each committee. Once you have signed up for a committee, we will issue the full list to all and go from there.

Committees: Pageantry- Decorations for the Opening Reception- In keeping with the Theme of Launching Leaders develop the table center pieces for the opening reception and registration area.

Hospitality- Volunteers- Assist with Registration and Seating at the various sessions throughout the Conference. The Florida Welcome Delegation! We will need many volunteers for this as we don't want to use the same people for each session, we will spread out this responsibility.

Welcome Bags- This committee will be responsible for obtaining items to go in the bags as well as storing the bags and items and filling the bags prior to the Convention- can be done on Weds. 9-22 prior to the convention at the Hotel

Media-Podcast; Interviews with Speakers- This committee will be active during the convention in getting the speakers to the Podcast/Media location. Recommend Podcasters to the NFRW- Committee.

Promotion- Promote the Biennial Conference throughout the State. This team will develop the communications to send out to FFRW Members Inviting them to the Biennial and follow-up with the clubs on an individual basis.

Sponsorships- This team will solicit Clubs; Business and Individuals to be a Sponsor of the NFRW Biennial Convention. The Sponsorship Levels and Processes are coordinated and directed through the NFRW. This is a great opportunity for Clubs to pick a level to Sponsor and appear in the NFRW Biennial Program.

Finance- Develop a Pro-Forma of State expenses; submit for approval to the Executive Committee and track state approved expenses incurred for payment.

HAPPY MEMORIAL DAY

1 Honoring the Fallen

Memorial Day originally started out as Decoration Day in the 1860s. It was a time to decorate the graves of Civil War soldiers with wreaths and flowers to honor the lives of the most deadly conflict in U.S. history. Over time, Decoration Day became known as Memorial Day, and it expanded to include all American soldiers who died in the line of duty.

Because of that, honoring the fallen is the best way to celebrate Memorial Day. Traditionally, that means visiting grave sites and setting aside time to reflect on the sacrifices made by soldiers on the battlefield, but there are other ways to do that as well. Parades, ceremonies, charitable work for veterans, learning about American history and more are all in line with the original spirit of the holiday. Military drills and demonstrations are also popular.

2 Wearing Poppy Flowers

If you've ever seen someone wearing a red flower pinned to their clothes on Memorial Day, it's not a coincidence. During World War I, the destruction on the battlefield was so great that in many places, the land turned to mud without any vegetation. Only poppy flowers could grow in the harsh conditions, and they inspired John McCrae, a colonel in the Canadian army, to compose the poem "In Flanders Fields" about fallen soldiers resting in flower-strewn fields across Europe.

The poem inspired two women from France and Georgia to sell artificial poppies to raise money for World War I orphans. Their efforts were so successful that the Veterans of Foreign Wars of the United States (VFW) adopted the Poppy as their official memorial flower, and the Friday before Memorial Day became Poppy Day.
