**Northwest Orange Republican Women Federated (NORWF)**

**February 19, 2026, meeting**

**We welcome guest speaker,**

**Jacob W. Scott**

**Vice President of the Turning Point USA Chapter at UCF**

After joining the organization just over a year ago, he quickly rose into leadership, helping ignite a resurgence in campus activism.

A staunch supporter of Donald Trump since his 2015 announcement. Jacob is a committed advocate of America First principles and unapologetic American patriotism. Under his leadership, a once small group was transformed into a bold, initiative-taking force on campus—numbering over 150 members—dwarfing the campus' left-wing opposition and standing firmly on behalf of American patriotism, American exceptionalism, and the preservation of our great homeland.

### **Join Us in Supporting Republican Candidates**

I hope your year is off to a productive and fun start. There is still time to make and or follow up on a thought or resolution to join NORWF.

#### **We Need Your Ideas**

A very important request! Please share your thoughts on how we can increase membership or enhance your experience as a member of NORWF.. Your input is vital to our success.

#### **Community Events and Engagement**

Are you most interested in attending or inviting other members to community focused events? Consider the following activities:

- Bingo, Bunco, and other games
- Music events, Comedy Shows, Dancing Lessons
- Gaming
- Informational sessions
- Family-friendly gatherings, such as patriotic events - learn about the flag/ to raise awareness about the importance of voting and meet the candidates.

#### **Partnerships and Membership Growth**

Could you help us partner with local businesses and organizations for joint events or promotions? These collaborations can help us reach Republicans who need more information about the candidates and legislative issues.

#### **Engaging Younger and Diverse Members.**

How do you suggest we engage younger and other eligible women with programs tailored to their interests and needs? Your recommendations will help us create relevant and meaningful meetings.
